### SUPERINTENDENT'S MESSAGE

Our public school is an institution of society; it is an agent of the people operating principally at community level. Its character and quality is determined, in large measure, by the citizens of the community it serves.

For you, our high school students of 1956, and all the future students of Kyle, we hope to provide the very best school possible. In turn, it is our hope that you will take full advantage of this opportunity and be the best students possible. Then you can confidently enter into adult life prepared for the ups and downs. Such is our hope and happiness.

Very sincerely,

*James Maddux*

The Annual Staff and the Students of Kyle High School want to thank the men and women who have contributed to our 1956 PANTHER through advertisements. We sincerely appreciate your patronage.

The PANTHER Staff also wishes to thank Mr. William C. Mayette for his fine photography. We realize that without his patience, guidance, and willingness to help, we would not have been able to publish this 1956 PANTHER.
